ANNUAL MEETING COVER CONTEST

Beginning in 2005, we have had the students from Grades 7 & 8 design the cover of our annual meeting booklet each year. This year's winner is:

Breanna Thoms

Breanna won \$75.00 and a ticket for herself and her family to attend our annual meeting supper. All of the students received a token from the Credit Union for submitting entries. We would like to thank all of the students for their effort and creativity. As well, thanks to Mr. King for assisting the classes.

MEMBER CARD FLASH CARDS

We will be issuing new Member Cards that have a flash feature to them. You will be able to touch the terminal with your card without entering a PIN number for smaller, everyday

purchases. Each merchant will set their own limit that they will allow for the flash feature. The Member Card with the flash feature will continue to debit your account at the Bruno Credit Union.

Our rollout date is June 1, 2015. We will be doing a mass issue so everyone who has a Member card with the Bruno Credit Union will receive a new Member Card.

One of the advantages of doing a mass issue is that they will transfer the PIN number that you presently have on your Member Card to your new Member Card with the flash feature. Your new Member Card will have 19 digits while your old Member Card has 17 digits.

If you have any questions, please do not hesitate to call.

FIRE INSURANCE NOTICE TO ALL MORTGAGORS
